

East of England ESF Community Grants

About ESF Community Grants

The ESF community Grants programme is designed to assist small voluntary or community sector organisations run by people from the community they support.

The aim of providing small grants is to give small voluntary and community organisations to access funding, to support people who are unemployed or economically inactive.

Groups can apply for up to £12,000

Types of projects we can fund:

- Career and business development workshops for BME women. These will focus on CV and application forms, effective job searching and accessing funding for business or higher education.
- Career guidance, job seeking support and tailored training for ex-offenders. Participants will also be supported by mentors.
- Basic IT courses for people over 50 years, lone parents and unemployed people
- Providing volunteering and work placement opportunities to develop transferable skills and work ethic, coupled with employment support.

When to apply

The final opportunity to apply for this fund this financial year is:

Phase 5: 12.00pm on Friday 19th March 2010
