supporting Norfolk

# Evolve @ City College Norwich

## Summer Programme

Take advantage  
of our **FREE**  
programmes

### The Leadership Forum

Be inspired by local people from all walks of life and hear advice on rising through today's challenges.

**Evening - 1 Hour**

**Various dates starting July 2009**

### Next Steps to Your Success

Designed for recently unemployed graduates this programme addresses career advice, CV preparation, self confidence, body language etc. and culminates with a "speed networking" event with local employers.

**2 Days**

**12 and 13 August 2009**

### Management of Change

Sessions aimed at exploring the challenges of change, transition and personal leadership.

**½ Day Sessions**

**29 July, 5 August, 19 August and 26 August 2009**

### What is evolve?

A **free** programme to support individuals and SMEs in Norfolk through the current economic downturn and to help them into a stronger position as the economy recovers.

### Women Entrepreneurs

Meet highly skilled women who own their own businesses and draw their knowledge from first-hand experience in the real world.

**1 Day Sessions**

**Various dates starting September 2009**

### Selling Skills Programme

How to maximise sales in retailing, recognise product knowledge and benefits, merchandising and sales techniques for success.

**3 one day drop-in workshops**

**16 July, 23 July and 6 August 2009**

**13 August, 20 August and 27 August 2009**

### Network Security

Prepare for and take the industry recognised CompTIA A+ certification and open the door to an exciting career in IT.

**2½ Days per week for 4 weeks**

**28 July - 20 August 2009**

### Venue: St. Andrew's House, Norwich

At St. Andrew's House, in the heart of Norwich, you'll find the same contemporary office environments that set the agenda in the latest developments of Canary Wharf or the financial quarter in New York. An ideal venue for planning your future!
